Make Your Own #EndlessFrontier

Located in heart of RTP's Park Center development, The Frontier is an open collaboration destination that can be used by anyone in the community for a variety of reasons. It's connected to lightning fast internet, has free Counter Culture coffee for all visitors and plays host to weekly events sponsored by The Research Triangle Park. There's never any shortage of activity, and we want our RTP community to use the space as if it were their very own.

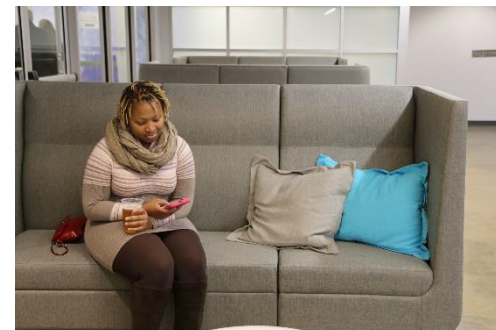

What We Do Here

Working, Meeting, Caffeinating: If you need a place to stop in for a quick meeting, you can do that at The Frontier at no charge. It's 100% free to just stop by Home Base, grab a seat, and get to it. You can also reserve a private meeting room by visiting our website if you know you're coming ahead of time!

Hold An Event: Looking for versatile space for your next nonprofit meeting, 50 person workshop, or networking event? Contact our staff! The Frontier is a place where we welcome these types of events, and we have multiple places to host you.

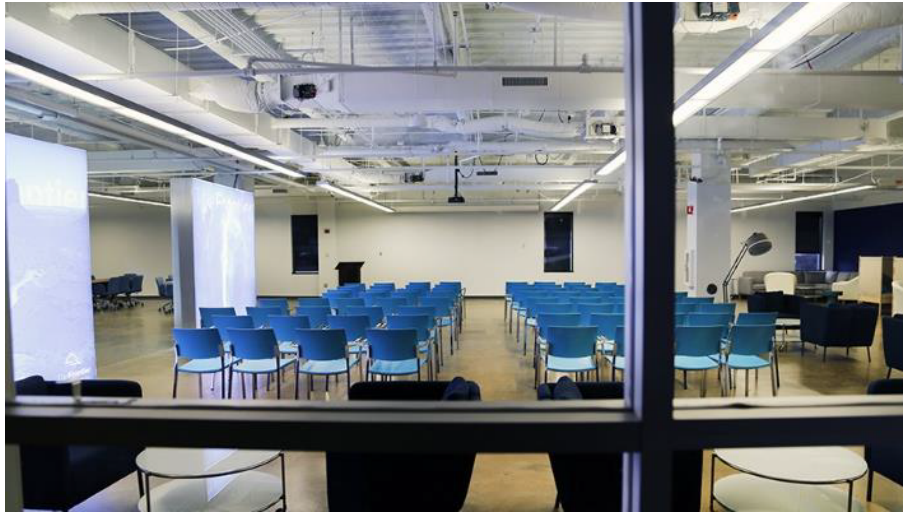

Private Office Space: If you're a team of one or 100, we can help you out. Our single offices start at just \$300 per month, and come loaded with amenities. There are also options for companies looking to create their own space within The Frontier. This is a great option for anyone looking to be close to everything the Triangle has to offer.
